

THE TRILBY CONNECTION

EFFECTIVE STREET HYPNOTISM

From national television to the streets of Europe, it is impossible to ignore the growing numbers of walk-about hypnotists. Learn the skills and take it to the streets.

From complete amateurs to accomplished stage hypnotists and hypnotherapists, everyone can benefit from the intensive classroom training and the practical workshops in public streets and bars. The confidence to respond to impromptu requests to demonstrate hypnotism, absolutely anywhere, can only come from a coherent approach and real-world feedback.

THE TRILBY CONNECTION

*EFFECTIVE STREET
HYPNOTISM*

Concepts

- Become The Hypnotist. Learn an observation/attitude-based hypnosis model.
- Learn how to perform hypnotism in public. Street, bars, parties.
- No history and theory lessons. Just tuition and practice.
- Mixture of classroom training and public performance.

Day 1

In intensive practical sessions everyone will learn a solid but flexible approach to hypnotizing. Training and supervised practice will continue in the afternoon on the street and in bars until late.

Intro: Subject selection: Set Up: Set Piece: Inductions: Fractionation: Testing: Re-Induction: Suggestion: Catalepsy: Corpsing: Amnesia

Day 2

Further classroom training to cover in depth more specialized knowledge. This will include more advanced phenomena and skills and how to turn a string of phenomena into a series of entertaining routines.

Style: Ethics and Law: Advanced Inductions: Advanced Phenomena: Hallucinations: Dictate Their Will: Control: Post Hypnotic Act: Managing Reaction: Permanosis.

Delivery

Intensive classroom training: Street and bar practical with the public.
